In WSCC Preschool class, Ms Liang teaches through activities such as singing children's rhyme songs, body movements, coloring, story telling etc to make 3-4year olds enjoy the play while learning Chinese. The goal of this class is to provide opportunities for young kids hearing and speaking simple Chinese. As children at this age of development vary widely in their interests and capabilities, Ms Liang prepares variety of contents to make kids get chance to enjoy the part that they like and learn.
